# Here Comes Forever

I was on my morning jog, my feet hitting the gravel roads in time with the song. Loud by R5 of course. It's summer, so I take advantage of the nice weather, considering I love running ALMOST as much as I love singing. I turn the final corner into my driveway. My mother's waiting in the doorway for me. "Oh good! Your home. How was your run?" "Fine. Thanks for asking. What's up!" "Your father and I have something to tell you." "What is it?"

"You were adopted."

"I already knew that."

"Maybe so, but do you know who your biological parents are?"

"No..."

"You may know about their son, your biological brother. His name is Ellington Ratliff....? Name ring a bell?"

"O.M.G. My brother is THE Ellington Ratliff from R5????"

"Yes you will be going to live with Ellington. We want you to get to know him better. Go pack your things, he'll be here in three days." And with that, I ran to my room to get only the most important things packed.
