# WTF!!! I AM A CAT!!!! : Chapter 1

Trinitys POV

½ I sat down on the couch, and resumed to Black Ops.½

"Ha! Got you!" The guy I killed used a lot of colourful language.

½ "Hey, settle down sailor."½

I was about to say a retort of a more rainbow-y vocabulary when my brother barged in with his friends.

½ "My turn." Cris said. I scowled at him and turned off the console.

Chow-Chow, my tabby cat, jumped onto the couch.

½ "Hey Chowy!" He hissed, and his silver fur bristled.

I went up to pet him and he bit me.

½ "Ouch!" He never scratches me. Huh...

I ran up to my room and flopped onto my bed. I then blacked out.

C3 C3 C3

I woke up to music. That damn LMFAO. It wa louder then usual. I hopped out of bed and knocked on Cris's door. He opened his door and looked down at me. Wait... Down? I know I'm a little smaller than him, but not 5 feet smaller.

½ "Is thos Chows new girlfriend? Hey guys, Chow is gonna get another litter."

Fuck it.....
