

The Dark Priestess

By : Chrysta

She lives among the living, body cast of ash and gravesoil; heart never soothed against the betrayal many years ago...

The Dark Priestess

In times amiss, She travels in haste,
Soul in unrest, heart in distress.
With powers great she can defeat,
Tress passerby, demons afoul.
Twang; Her bow sings,
Hssh ; Her souls cry.

Kikyou,
Beauty unstoppable,
Heart unbreakable.
