Writing Erections

Citadelâ lâ lâ lâ lâ lâ lâ lâ lâ lâ lâ !..

My pen is sharp

It woke up and stood on itself

Pointing its head against the heavens

By its texture I could tell

It had an erection

Almost unto orgasm

I had to walk

Grab it and forcefully

Bent it low and down

For it would ejaculate

Into the clear and clean skies

And straight into heaven

Her ink tastes bitter

I donâ t want me executed

I will castrate it

If worse I will trim it

Or chop it off
