Meet Your Sweet

Four very different examples and full of contrasts. If we are not happy or in our relationships, especially in marriage, there is a crucial question. Marriage can be a wonderful blessing, but it can also be an endless misery: some time ago, a brother whose marriage was unhappy, saying: "My marriage is hell on earth." Often, we do not reach this point. But a household where everyone lives in turn brings no development. God wants to give us much more Meet Your Sweet. Referrals that lead to happiness or to misery in marriage, we put in place very early, and later when we decided for such spouse for life. That is why this decision can not be taken lightly.

No simple recipe

To begin our reflections, I would like to place before you two verses of the Bible, one of the Old Testament and one from the New Testament:

"Three things are too wonderful for me, and there are four that I can not know: The way of an eagle in the sky, the way of a serpent upon a rock, the way of a ship in the heart of the sea, and the path of man to the girl"
(Proverbs 30:18-19).

"This is why a man leave his father and mother and be joined to his wife and the two shall become one flesh"
(Ephesians 5:31).

These two statements clearly show that there is no recipe for finding a spouse. This actually is and remains a mystery, something finally unfathomable. The Bible is not an instruction manual that lists in detail the proper way to behave in every situation of life. Yet the Word of God gives us guidelines and principles that are useful to us. If God gives such indications in His Word, He does not play a trick on us, He made for our happiness and our blessing.

Different aspects of the subject

I would first like to tell a little about the different aspects in order to better understand:

- In the first part we will see some principle of marriage. The purpose of choosing a spouse is married. If we do not know the purpose, we can hardly determine the right path.
- Then comes the heart of our considerations. We ask the question: what the Bible has to say on the subject of concrete choice of a spouse? How to proceed and what mistakes to avoid?

- In the third part, we will arrange the engagement. What is the meaning? What is the value of the period immediately preceding the marriage?
- Then there is a fourth part of the beginning purely chronological. This is the time before the actual choice of a spouse. It is the friendship between young men and girls. It is deliberately I put this last.
