jade and her vampire lover.

it started on a stormy night in England. a young lady named Jade was watching TV when there was a loud bang. lightning had struck a pole outside her house when she looked outside. standing under the sparks from the pole was a handsome guy. he was just standing there looking at Jade. when Jade wiped her eyes and looked again the young man was gone. then there was a knock at her door. when she opened the door a young man was standing in the rain soaking wet. he told Jade his name was Sergei and he had been robbed. Jade invited him inside, then went upstairs to get him some of her father's clothes. then they had some hot coffee. Sergei told Jade he was from Russia. he was in England because his sister lives there. they talked for hours. it was getting late Jade asked Sergei to stay the night until the storm was over. he agreed and went upstairs to a spare bedroom. Jade went to bed but she was not sleepy. she had a cup of tea and after a while she fell asleep. the next morning she woke up but she felt funny. when she went to take a shower she noticed there were two small holes on her neck. she thought it was a spider bite. when she went to check on Sergei he was gone. a week went by Jade was getting headaches. her eyes were hurting when she went outside during the day. every time she tried to eat something she threw it up. one day she was eating chicken but it was not cooked well. she had eaten blood from the chicken. it was the only thing she could eat. she wanted more. so one night she was walking down town. she noticed a drunk guy go into the alley. she followed him. she was so hungry. she caught the man in the alley and bit his neck drinking his blood. she felt really good but was ashamed of what she had done. that's when she knew she was a vampire. she ran home crying. when she went upstairs Sergei was standing there. he told her he was a vampire. and he said don't be afraid you will live forever. you will stay young forever. then he said there were more like him all around the world. at first Jade was afraid. but Sergei helped her cope with it. Jade and Sergei fell in love. they slept in the basement of Sergei's castle during the day. no one is allowed at the castle during the day. there were plenty of people working for Sergei protecting him and Jade during the day. Sergei taught Jade how to drink blood from bottles that were taken from blood banks. instead of attacking people. they lived a long life in the castle. years had passed by and they were still young. Jade told Sergei she didn't want to live any more. she didn't think it was right to outlive people she loved. and she was getting sick of drinking blood. she was so alone and unhappy. so the next day she and Sergei decided to walk out into the sun hand in hand. for the last time. their bodies caught on fire and died in ashes. the end.

jade and her vampire lover.
