

Cold Embrace

Okay, this is the strangest story I've ever written. I apologize if I write too much about dead people and hanging and people getting eaten. Anyways, this is my entry to Shrey-sen's (her account is Shreyasen11) contest. Everyone, you should join it because it's fun and Shrey-Shrey is awesome! Well, since it's my first contest entry and her third contest, wish us good luck! Thankies for reading!
