

MEDICAL MALPRACTICE INSURANCE IN THE UNITED STATES

By : medical writer

Today MEDICAL MALPRACTICE INSURANCE IN THE UNITED STATES is one of the biggest problems PHYSICIANS, PHYSICIANS ASSISTANTS, or NURSES PRACTITIONERS have today. Some PHYSICIANS, PHYSICIANS ASSISTANTS, or NURSES PRACTITIONERS have to pay about five dollars per patient for their insurance. They would like to charge their patient's cheaper rates but they are up against the wall. Any help would be greatly be appreciated.
