## Michael Fiore Text Your Ex Back

How did you do?

You want to remember something the first time he met that he did or said or wore that you can make fun of him. Bust of him in a playful way and he remembers and thinks more.

No other girls sms will be smart enough to do it. It sounds predictable and boring. The more you think, the more will see you soon.

We see a convo sexy, fun and flirty text messages in action

Him: "Hey, you looked really cute the other day"

She: "You've done enough is hard to imagine that you are over 24:.)"

It was thought to have a baby face when you met him and teased him about it. You're going to tease a bit more about his baby face. Let's see if we can reproduce.

Him: "! Hey at least I'm old enough to join the club without a fake ID "

Her: "lol, maybe that's why I have an amazing picture cute"

Now he's back to play his opening text about how you looked nice and jokingly reminded him of what a hottie you are.

Him: "Yes, the calf muscles are very toned, but the arms could use some help :)."

And 'new joke. You have his attention.

She: "So you think you are a personal trainer?"

Him: "I know I can show you a few moves well"

She: "Hey I gotta go, text me later ..."

Him: "R. .. are you okay? "

Him: "Hello ..." Michael Fiore Text Your Ex Back

You want to try and always ends the first call. Have you noticed in the text that has no punch at the end of the text? You went away, leaving him completely off balance. Thinking: "She was upset with me? It was my pleasure to make his arms a turn off? When you do not want your text? "

You are totally in control and he's going to step it up a bit 'to keep your attention. Boys find it very attractive, because it is a challenge. The hunt is on!
