## About "FORBIDDEN FEARS"

Alexander Feliciano the new Stephen King presents eleven shocking tales that are forbidden to the outside world. These are tales of modern horror, diabolical fate, and lots of gore. Alexander is now releasing eleven tales from hell. Alexander is now stepping deeper into Sci-Fi and Horror. One of the tales are about a man and his dead father. But his dead father never had a funeral but he was buried in his room. Another tale about a rich man who lives in Beverly Hills but he is looking for a true love. He finds a beautiful woman but she is not as she seems. Alexander has now stepped deeper into a world of *Forbidden Fears*.
