## *On Your Own*

A proposal to solve American debt trap and beyond

By

An unknown American

Social security kicks in at age 66 and expires at 88

On your own beyond that;

Scrap disability social security benefits;

Medicare kicks in at age 66 and expires at 88

Annual cap at 50 grand and lifetime cap at 1 million;

On your own beyond that;

Fixed prices for prescription drugs

Anybody can buy prescription drugs from anywhere in the world;

Legalize assisted suicide for person of any age group, no questions asked

Random drug testing for every American

Term limits for the members of congress and senate

No healthcare benefits for members of the congress (buy your own insurance);

Flat tax on income for everybody

Every service and product is taxed (live cheap to pay no taxes)

No tax deduction for mortgage beyond average house value;

No wars without pre war-tax approval

(Those idiots supporting wars pay from your own pocket)

Annual defense budget capped at 300 billions, period.

## On Your Own

No subsidy to nobody, you are on your own or get out of business;

Gas prices fixed at 10 dollars per gallon irrespective of crude oil daily rates
