machete NO

Well yesterday i wasted 1 and a half hours of my life!!!Â THAT I'LL NEVER GT I BACK!

ok i'm going to just tell you about the worst movie i have ever seen called: *machete joe*....the title doesn't deserve CAPS

it has no story line and from the start i could tell i was a shitty movie.Â 1st off why would they make a movie about people making a movie :/ i mean what's the point in that!

And what's with the ending really?!! To keep things simple for you DO NOT WATCH....unless you like horrible movies :b
