Dracula-Darkness of Light

My blood is fiery.
My blood is eager.
Your blood is sweet.
Your blood is satisfying.

Crimson is your color

My skin pale as the moon

The devil itself fears me

My soul so black, it is darker than night

My blood is fiery.
My blood is eager.
Your blood is sweet.
Your blood is satisfying.

I am the one whome they fear most

I am the omen

Which dwells within your mind

The screams and shouts of a mad man

That is you

My blood is fiery.
My blood is eager.
Your blood is sweet.
Your blood is satisfying.

You are mine

And mine alone

I am a demon

I am a prince

I am The Darkness of Light!
