No place nor reason of usage for you in the land of birth and birth parents extraordinaires

This is where childhood dies and adulthood is never a true option

Only for the brutal few who decided your future from day One

Days gone years forgotten

The land of the heartless has come full circle

In its depths you sink to the bottom of nothingness

When desires end you die

Life leaves your body and what remains is emptiness

Sinking, we are sinking

Relinquish hearts as they tear you apart
