Another nightmare

Another nightmare

The dimensions of his scalp

The shape of his head

The symmetry of his visage

And husbandry of his beard

His stout nose that stand out

Protruding its ridges

The clefts of those dilated balls

Blinking in infinite unrest

Endowing a piercing gaze like a kittenâs

Those dark lenses stuck in the white,

Budging balls of his pupils

Deeper his invert imprinted

The dark and green of horror

Another nightmare

Zooming in and out

The gothic gory graphic makes me scream

In the vacuum of nowhere shout

And nothing but the echo feedback returns

Reverberating drum drum and sounds

The cry of some night fowl a distant

Another nightmare

Another nightmare
