

LIVE . LAUGH . LOVE (what does it mean?)

By : [oreoeatinbunneh](#)

Dear Journal, (Your not a diary and never will be). Ever heard the saying, Live. Laugh. Love? What does it mean??? Im highly confused. Im living. I laugh when my mom burns food. I love candy. Is that what it means? SO MANY questions. Im only twelve!! So much pressure! Oh god, I'm having a minor mind attack. My mom says it means love your life and all that crap, but I doubt it.
