Binge Beer

â Looking for a quick, cheap way to get all bent out of shape? Have we got the perfect brew for you! Proudly we introduce Binge Beer*. Itâs the latest screw-you-up-quick beverage from the makers of Straight-To-The-Gutter Wines, the Hammer Time Corporation. We know you could give a crap how it tastes, or about the color. The only two things you care about are how quickly it messes you up, and is the swill affordable? We donât claim to use the finest ingredients, or put a âborn onâ date on the label. Instead, we think weâve come up with an ingenious invention that you, Mr., Mrs., or Miss Wasteoid will find much more useful. On our label youâll find the âHammer-Factorâ of our beer; IE: How much alcohol is in each beer, multiplied by a six-pack, then multiplied again by how long it takes the average beer-drinker to consume the six-pack, with a funnel. We also pre-strain our beer through a loaf of bread to filter out most of the harmful chunks. So all you are left with is pure guzzling pleasure!**

*Warning: the Surgeon General has concluded that Binge drinking is harmful, and often fatal! Please, the Hammer Time Corporation urges you to drink in moderation

**Now, when you buy one case of Binge Beer, receive a second case for just .99 cents more!
