Taken From Chapter 2;

Fan Letter to Black and Blue Holiday

Hey, thank you, Black and Blue Holiday. Youâ re my favorite holiday music band. Your holiday music makes our familyâ s holidays unforgettable. My wife and I get hammered, the kids drink hot chocolate and for the holidays at least, the kids actually shut the hell up, and weâ re a real family. We put on your holiday music and just watch the outside world roll by; and if it snows, so much the better. At least until the holidays are over Iâ m the nicest husband and father. Usually, my wife make me heave, I get all hacked off at my kids, and wallow in self-pity about my joke of a life. But when I listen youâ re holiday classics and guzzle whiskey, things seems a little less s**t-like. So thank you for bringing a happiness torch of your music to light up my dark, soggy, pathetic world, so at least I can see the s**t Iâ m about to step in!

All the best, Willy Wallow

Fan Letter to Satanic

Last Rights

â Dear Satanic Last Rights: You guys rock! You, like myself, are one with the dark side. Iâ m so sick of the goody-goodies who control todayâ s music industry and spin an â everythingâ s groovy, kids!â message of love and fricking peace, that tells the kids everythingâ s fine, when itâ s a s****y world, actually. I think they should be held accountable for the lies theyâ re spreading. If the kids all listen to your music, with songs such as â Iâ ve Got a Wicked Hard-Onâ , â Evil and Twisted Lordâ , and â Be My Dark Queenâ , they would understand that the truth is to â Abandon All Hopeâ . Thanks for telling everyone the truth.â

With hate, Jerry Grub

Fan Letter toThe Sugar Shack

â Hey girls, howâ s it hanging? Iâ m a 15 year-old male, completely naked and looking at your album cover. Man, do you fine babes really yank my chain! Iâ m so glad to see you use your sex appeal to sell albums. Sadly, that is all-too-rare these days. Too many people focus on trivial stuff, like musical ability. I say,

â Who gives a s**t?â

Who really cares if you can really play if youâ re damn ugly? The reason I buy is the fact Iâ d love to bag all of you! In fact Iâ ve included my home address on the envelope and if you fine ladies want to, feel free to stop by. We could get a pizza, or something, and fire up my hot tub.â

Love you all, a lot! Dick Pierce
