

# Two In One 'Cos I'm A Cheat

By : comedy poetry

As my real name is Indie Cative (yeah, Indie Skreetâ s not my real name in case you hadnâ t guessed), thought I would post two in case one of them falls flat; I want the opportunity to fall flat twice â lâ i never say Indie Vidual does things by halves ;)

## Two In One 'Cos I'm A Cheat

**My Pride Has Died**

**I wrote many odes with wit,**

**At least that is what I thought.**

**But now think Iâm in the shit,**

**As really is not my fortây?**

**Hardman and Garry Croft wowed;**

**Of course I am not bitter,**

**But the nobs areâ laugh out loudâ ,**

**Mine worthy of a titter?**

**This is not the post Iâ d planned**

**To ensconce me to the masses,**

**But might prevent me getting banned,**

**Like fluttering eyelashes;**

**Perhaps my penchance for profane**

**Will do the trick alone?**

**Maybe I should think again,**

**Am I lowering the tone?**

**If thought I could sleep my way**

**To top of the pile I would**

**But suspect have had my day**

**So don't think I really should**

**Considered flashing bits at you,**

**But Ma Natureâ s not been kind,**

**Although like you I have got two,**

Two In One 'Cos I'm A Cheat

Two In One 'Cos I'm A Cheat

They are pretty hard to find;  
Deliberated sending bribes,  
Yet that wouldn't have worked either,  
â Cos donâ t know where you all reside,  
Plus my faith states Iâ m a miser;  
Apart from obvious fact,  
I haven't had the time,  
As my wee brain's been wracked,  
Trying to make this rhyme;  
I just need to get some pride,  
Begging is so bleedin' naff,  
But for now the pride has died,  
So press â likeâ and fucking laff!

*Inspired by Edward J Bradley Snr post: 2nd-Hand Smoke*

**The Generous Smoker**  
Yes, Iâ ve seen the statistics,  
Regarding second hand smoke,  
But letâ s get realistic,  
And I say this now Iâ m broke,  
What *is* all the fuss about?  
They are getting a great deal,  
For not having to pay out,  
For the way it makes *me* feel,  
They get the little high,  
From my selfless white cloud,  
And no one can deny,

Two In One 'Cos I'm A Cheat

**Iâ m lavish to the crowd,**

**Yes Iâ m a generous smoker,**

**Condemned by lad and lass,**

**But am I also joker?**

**When I claim to love en masse!**
