â Are you p**sed at someone who calls themselves a friend?

Do you like tennis? Well, we have a perfect way to send

that bastard crying back from which they came

Introducing the Line-Drive Bad Mitten Set. Itâ s a game

the whole family can enjoy. As long as theyâ re mad

at some bastard, itâ s more than a passing fad

Itâ s a scientific fact that holding anger inside

will know at your gizzards, until you have died

Our game is a perfect way to calm yourself down,

and have a few laughs, just like a circus clown

Our new game is similar to tennis, but much more deadly

So, get in the game! Are you sure youâ re ready?

No wimps allowed, and no pansyâ s can play,

if you are strong as steel, play it today!

Invite your victim over to play the game

If they had a fricking clue, theyâ d see youâ re not the same

gentle, serene, and fun-loving guy

Now, you have a look of revenge in your eye

Women can use it, too, but in our ad itâ s a man

Like we were saying, invite to play, someone you canâ t stand,

then say, â Itâ s my fricking game, so Iâ ll serve first!â

Then, with adrenaline and anger, youâ re about to burst

Imagine their shocked surprise,

when you launch it right at their eyes,

"Line-Drive Badminton Set"

as hard as you can, the birdie, tipp-

ed with razor-sharp steel that rips

into their flesh and they anoint you as the winner, â cause the donât want the point to hurt them again.

Thatâs when you raise your fricking hands, over your head as the champion, while theyâll be
also-rans!â
