# A CHRISTMAS SNOG

well, i asked satan for a god for christmas

and if he don't deliver, he's reviled  
i'm so sacred that he will engorge me  
i capped a gab and set off on his trial

i headed south as surely you accepted  
my pumpkiss in my hand to weed the lei  
twas guided by loparis, that's the god rats  
i sneached the so for crats of satan's slay

luddensy, i herd annoys he bind me  
a mall and smuffled bark to my per size  
i rooked aloud and saw a little pee pup  
and then dear trops castrated from my eyes

so tank you, my dear satan , for the goddy  
although i river nilly sawed your face  
know i now the neaming of the seizin'  
arrecipate the gorly of your grace
