

Joe Toe

Joe Toe

A short poem from the perspective of your big toe. Comical and simplistic, I really just wrote this on a whim of good feeling, it's just to put a smile on your face =]

Joe Toe

Some say Iâ€™m rather stinky,

For others, not so much.

For some, Iâ€™m a bit hairy,

Still others, smooth to touch.

My neighbors are all under me,

Except, of course, for Scott.

To my right, heâ€™s just as tall as me,

But fatter? I think not.

Always under you, I balance your weight;

Iâ€™ve thoroughly mastered the art.

Although mine is an important fate,

I remain far from your heart.
