Nature Calls

Two men are walking down the street when they spot a squirrel leisurely crossing the street, minding his own business, eating nuts and such when WHAM! Poor thing is hit by fairly large out of place rig speeding down a suburban neighborhood with a speed limit of 25 mph. Clearly the man was in a hurry: probably rushing to get to the Burger King before it closed.

Â

M1: â Dear, God! Poor squirrel was just hit. Did you see that?â

Man 2 proceeds to turn his head in Mission Impossible slow motion in the direction to which Man 1 was gesturing to hysterically.

M2: â I donâ t see a thing.â

M1: â How could you not see that steaming pile of pure red adulterous gore!?!â

M2: â Iâ ;I just donâ t see it.â

M1: â Bloody hell! Its right in your face!â

M2: â I donâ t see why youâ re blowing this so out of proportion. Did you know the squirrel?â

M1: â What?â

M2: â Were you acquainted with that creature?â

M1: â W-well no-â

M2: â So we eat it.â

M1: â What!?!â

M2: â Iâ m hungry, and clearly that was left to us by some divine force.â

M1: â Iâ m not eating a squirrel!â

M2: â Youâ re quite dramatic. Did you know that? Were you always like that?â

Man 2 strolls into the middle of the street, stoops down onto his knees and pulls out a Spork.

Man1 proceeds to watch Man 2 in slightly less animated hysteria, twitching his fingers, and wondering why his friend carries Sporks around.

M1: â At least get him out of the street!â

M2: â She.â

Nature Calls

M1: â What?â

M2: â She is a lady. You would know this if you grabbed a Spork and dined with me.â

M1: â I donâ t carry Sporks.â

M2: â What kind of man doesnâ t have the decency to carry a Spork?â

Man 1 was contemplating an educated answer his comradeâ s question when WHAM! Man 2 was hit by a speeding nut rig going 70 mph with a label on itâ s side reading â We carry handfuls of nuts: sometimes one, two, or three nuts at a time! Fill your mouth with delicious salty nuts today!â

M1: Cries â The Gods! The Gods! Thereâ s your divine force, dammit!â Â

S1: â NOOOOOOOOO!!!!â

Shrieked a squirrel just two feet away from Man 1, causing the man to leap literally out of his shoes.

M1: â Bloody hell was that?â

S2: â What reason could you possibly have for shrieking?â

S1: â Did you not see the human get brutally murdered by that giant machine?â

S2: â If I did?â

S1: â It was inhuman!â

M1: â Why are you talking!â

S2: â What do you know about humanity? Did you know the human?â

S1/M1: â What?â

S2: â Were you acquainted with that human?â

M1: â Wait a minuteâ !â

S1: â Well no but-â

S2: â Then we feast.â

M1: â No! That is my friend!â

S2 proceeds to look nonchalantly at M1.

S2: â â ! How well did you know himâ !â

M1: â What do you mean how well did I know him!?!â

Nature Calls

Cat: â Enough! I have seen way too much for my liking and Iâ ve established that you all three need a therapist. Preferably Freud. Maybe a bit of shock therapyâ ð. Hmmm yes, I would love to watch that: hair flying about and such. You all stupidly drooling like dogs....â

S2: â How dare you! I should have you know that we squirrel are far more superior than those mangy canines.â

M1: â Waitâ ð Whereâ s my friend?â

Cat: â I ate him.â

S1/S2/M1: â NOOOOOOO!!!!â
