

# Invasion of The Pony Tails Strippers: Part Three: Leaving the Friendly Skies

By : Teri Cross Chetwood

The Story So Far: Bruce, his characters, and my characters are all stuck on the Goodman Blimp (which not only flies, but prevents copyright lawsuits). They all want down, but can't deflate the dirigible.

# **Invasion of The Pony Tails Strippers: Part Three: Leaving the Friendly Skies**

## **Leaving The Friendly Skies**

**GRETCHEN:** This looks like a job for the Pony Tails girls... Ladies, start rubbing the inside walls of the blimp.

**BIANCA:** What?!

**GRETCHEN:** The sooner we bring down inflation, the sooner we bring us down.

**LI'L BIT:** You sound like a freakin' politician, Gretch, but I get ya.

**SHADOWCAT:** I don' want no part o' this, baby. This all 'bout as logical as that party Alice threw last week.

**FREAKY FRIEDA:** I thought it was a good party.

**SHADOWCAT:** Th' party was okay, but she th' only person I know who celebrate the anniversary of Montana's statehood. Least, the only one in th' state o' California.

**GRETCHEN:** Granted, not everyone does, but what's wrong with that?

**SHADOWCAT:** I looked it up. Montana became a state in November, not December. Someone need t' check chika's calendar.

**ALICE:** I always celebrate it a month later. You save a fortune on the decorations and you avoid the Montana Day mad rush.

**ROSE:** Are you guys going to stand around all day, swapping non sequiturs, or are you going to get us down?

**SHADOWCAT:** Keep ya quartz on, Rosie.

**ROSE:** Listen, bitch...

**QUEEN VICTORIA:** We are not amused.

**BIANCA:** No offence, Your Majesty, but even I'm getting tired of that one.

**Q. V. (sadly):** It's all anyone ever remembers me saying.

Invasion of The Pony Tails Strippers: Part Three: Leaving the Friendly Skies

**ROSE:** Then be quiet!

**Q.V.:** I will be good.

**SHADOWCAT:** Dayum, Rose! You a hardass, baby.

**ROSE:** Hello? I'm quartz?

**LI'L BIT:** Let it go, S.C. What can you really do to her? Rock, Paper, Scissors?

**SHADOWCAT:** Whatevah. You sure this gonna get us down, Gretch?

**GRETCHEN:** It's simple dream logic.

**BRUCEK:** No it's not. Look, nothing in dreams is easy. That's why I don't have them.

**GRETCHEN (shocked):** Bruce! You don't have dreams?

**BRUCEK:** Nope.

**SHADOWCAT:** Bruce-baby, tha' all kinda weird. Everybody dream.

**BRUCEK:** I don't. Sorry, S.C. I just don't. Aside from the hallucinations, I'm fine. (Swats arm) Damn bugs!

**SHADOWCAT:** Now I *know* you one a' Alice's voices. Sheesh!

**GRETCHEN:** Back on track, guys. Start rubbing.

**\*The strippers start rubbing the walls of the blimp, all except for Freaky Frieda, who sticks her head out the entrance and looks up.\***

**FRIEDA:** It's working guys. The blimp's getting bigger!

**MARY JANE:** And bigger... And bigger...

**\*Suddenly the blimp lets out a moan and all of the gas escapes. The blimp starts falling\***

**BRUCEK:** Oh, shoot!

**GRETCHEN:** I don't want to die yet! I never got a chance to toilet-paper Miley Cyrus' house... This week, I mean.

**FRIEDA:** We've got to get higher!

**LI'L BIT:** No problem.

**\*Li'l Bit grabs Mary Jane and a lighter from her pocket.\***

**MARY JANE:** Bruce! Help!

**\*BruceK grabs MJ from Bit's lips\***

Invasion of The Pony Tails Strippers: Part Three: Leaving the Friendly Skies

**BRUCEK:** That's enough of that! Teri can set fire to one of her own characters. Tell her to leave mine alone.

**ROSE:** I've got it! Alright, everybody, take off your â
