## HIGH-TECH BIRTH

**One day, a boy approached his dad, curious how he was made of, by his parents.**

**BOY:** "Daddy? How did I come to this world?"

**DAD:** "Listen carefully! Mom and Dad met each other in a Cyber Cafe. In one of the restrooms there, dad connected to mom.

Mom, at that time made some downloads from dad's memory stick. When dad finished uploading, they discovered they did not use firewall. Since it was too late to cancel or delete, 9 months later we ended up having our "Virus."
