Bloodreign; The Western Washington Carnival Spectacular Tour!

â The heaviest, loudest band in the history of the world is proud to announce the Warriors from Beyond the Grave Western Washington Carnival Spectacular Tour! So come on out to these fine carnivals, have some cotton candy or other delightful tasty treats, and see the band that Powerchord magazine called â One gigantic pile of nothingâ , Bloodreign! You and your downer friends usually have nothing better to do, and sit around feeling sorry for your lack of a life, but when you come out to one of several carnivals on the Warriors from Beyond the Grave Western Washington Carnival Spectacular Tour, sponsored by Uncle Willardâ s Frozen Dairy Treats, youâ ll see what appears to be several guys who can simulate playing! It will be so loud that the songs will be like taking a sledgehammer strike to the groin! Look in your local newspaper to find out where to see Bloodreign, with special guests Fire Devil! Sound fun? You betcha!
