**Again a fearful plight,**

**On a busy roadside,**

**A woman is defaming,**

**In a cold wintry night.**

**Its on a green city, clean city,**

**And everyone is showing His pity.**

**But how can all it happens?**

**Under the supervision of Security's witty.**

**A morning paper Headline,**

**Getting its TRP's more fine.**

**school kids asking.....**

**To get this word "gangraped" more defined.**

**"Gangrape" is a moral and social hurt,**

**For those who made innocent trust.**

**Its an uncontrolled "tool" without wire,**

**So better to burn it with an instant fire.**
