# "Unemployed Youth's" History

I am "Rehmaan",  
An Unemployed "Mehmaan",  
Came from India,  
To get Employment in Pakistan.

I am ready to do any task,  
Which is not legally pass,  
But to serve my family,  
I came for underpass.

In India I faced a lot of pain,  
An "Employment Pressure" in my pain,  
Now losing my self-control,  
I want this Country to defame.

Only false promises are consigned,  
But reality peeps from behind,  
A common man is crushed,  
In hope to get defined.

They call us "Zihaadi",  
But never let us "Azaadi",  
As I was in the list of unemployers,  
20 years after my "Shaadi".
