

A life without my family

A life without my family

By : PrincessFrankie

I didn't need know a move a cross the the U.S would change. Make you feel like no one know hat you go through. Yeah I felt that way and know it's time to share my adventure.

A life without my family

CHAPTER 1 July 2,2013 I was the day I moved away. The worst day of my life. My family was long gone now. I felt alone and moving to a new school. Then a month later I moved to a newer school. There was this one girl, christy, she was really nice but the problems didn't stop there.
