

# Paint Life, Feel Life

By : **glitter snow426**

I wanted to write about my dad, a wonderful, talented artist, he was truly special. It's twenty one years of his memory.

# Paint Life, Feel Life

Paint Life, Feel Life

Paint a picture, I wonder what it will be?

A bright farmland or a fun day by the sea

Paint a picture, a mailman in the wind, hard to walk

Great details, thoughts flow and incredible talk

Oh, many things to be painted as a glowing joy!

Paint a picture of a newborn baby girl or boy

Relaxing beauty of flowers, birds, mountainside

Look around, trees change, clouds happily glide

There's a cool view, see the village from a plane

Paint a picture, anxious crowds who wait for the train

Paint a picture, let that soft moment take you away

My dad was an artist, I'm very proud, thrilled to say!

His love of art blossomed, fruit in a basket looked so real

Dad's brilliant creation, splendid glory to enjoy, feel

Cherish a painting, make time stand still!
