Jersey City Empire Chapter III preview

The shooting started before I reached the truck. They had automatics. One of them was leaning out the window. I managed to get one between his eyes. But a bullet hit me in the right leg. I jumped behind the truck. They kept shooting, I kept firing back.

â Come on! Is that all you got!?â I yelled at the top of my lungs, laughing hysterically. â Iâ m still breathing! Iâ m still breathing!!!â
