The Philosophy of the Elephant

If you asked 5 different creatures to describe an elephant in a few words, no two would be quite the same, Iâm sure.

Antelope: Nice animal. Good with kids.

Ant: Elephants? Those are awfully strange mountains.

Zebra: The only one who can remember which of us is which.

Elephant: Hey, thatâs my brother over there!

Lion: Oh, you mean the all-you-can-eat buffet?
