SEEK GODS FORGIVENESS

SEEK GODS FORGIVENESS

Hold the momentâcherish itâsavor itâlead your lives not for quenching every wretched desireânay but for submitting to Your Creatorâto whom You shall return...will Ye be spared of accountability for the gift He bequeath YouâAnd Ye say arrogantlyâWhich gift be that ?â..Ah thankless are the men and women who remember their desiresâlost in ingratitudeâhearts empty of His remembranceâtill Troubles walk their ways and their Hearts quake in fearâTill then were Ye all Children lost in playâChasing your desiresâNot for a moment did Ye stop and thank Him for the bounties and provisions He provided Yeânay Ye were enticed by the evil Satan Whispereth unto youâ.and Ye walked his wayâthe way of the Creature of fire...who stood up arrogantly to your Creatorâand refused to bow before Adamâangering your Lord who expelled him and his followers out of Heavenâand he vowed to make an example of manâso God said unto SatanâYe are welcome to try and mislead themâas for those who follow you they be the dwellers of Hell where they shall live for eternity in tormentâand as for those who submit completely to His Will, he shall Bless them with Joy and Pleasure forever in Heavenâ.

His is the Universe and whatever is contained in itâand Ye have no power to Create lifeânor can Ye stop death that stalks each living beingâthen why do ye walk so arrogantly upon earthâwhy does your belly burst with prideâwhy be you blinded by your evil passionsâpassions forbidden to mankindâand that are a seduction of the devils thatâmake wrong seem rightâso that ye be degraded in His sightâthough the Creator be Most Merciful and Benficient..and He forgiveth His creation when they seeketh His Pardonâ.

For every action and deed ye performâis being recordedânot wastedâfor these deeds in your life shall Ye be held accountableâaccountable to Your Creatorâ.

So many men and women have been deceivedâeven meâ.for we humans be creatures of sin...but lose not hopeâfor His doors to forgiveness are forever open to His Creaturesâso pray for His forgiveness and walk not the path of your evil passions and lusts no more...so that He may pardon ye allâ.

So many people and nations were victims of His Wrath and Torment that came to pass when they became creatures disobedient to Him and they were lost in Evil practices and lives with no shame in themâ.they were proudâand arrogantâbut then His Command came to Pass and they were made examples offâ.
