Because there have been several replies from book publishers that all want the root of evil that makes this world go round, I am willing to pay any double their price if they will just wait for sales of the book because I have zero funds.

These words for the many of this world are being directed toward but only one person; and God already has chosen whoever that individual may be as one of the few rather than the many.

When our own life s fate along with this world s coming future becomes the main issue of our thoughts and action, our genuine concern for others from infants to the elderly worldwide becomes elevated into getting out a message to this entire human race; and not necessarily with the intent of changing any individual because that cannot be done, but rather through simply supplying knowledge for the surface of the many minds worldwide which comes in the form of needed spiritual education that will only sink into their sub consciousness to be forgotten until their ship of life begins to sink with no warning or lifeline; and that is because only then, what they all need to know will come to the surface of their minds due the fact their sub conscious had been previously fed. And for those that want absolutely nothing to do with the truth of reality now, their minds will change when the quicksand s of their existence begin to slowly suck the life from their bodies, therefore when becoming panic stricken they will want to know why so much horrible world chaos has come upon their life, therefore when â The Only World Book With Truth This World Knows Notâ becomes published, God will make it available worldwide just so all can understand why these things must be; and because this world of loving brethren with great kindness, God has prepared me well. . .

â But you, son of man, do not be afraid of them or their words, though briars and thorns are beside you and you live among scorpions. Don't be afraid of their words or be discouraged by [the look on] their faces, for they are a rebellious house. {Ezekiel 2:6}

. . .therefore have at it because I expect whatever you can throw with years of experiences, yet I still love all because they know not what they do. {Luke 23:34}

Here is the point of this matter: If you were boarding the Titanic while hearing someone shouting a warning to all that the ship was going to sink, you, just as all others would have plenty of words and judgmental thoughts against that person as their voice faded away in the distance that you had gained by walking into the ships interior as you just totally forgot what was even said, and you forgot because it was only foolish hogwash with no meaning.

About My Book for Publishing

On April 14th, 1912 which was the third day of the ships maiden voyage, there was many ice warnings that were ignored beginning in the morning of that fateful day, and here is just one that came at 9:40 PM just prior to the underwater Titanic can opener that brought her down.

To Titanic

Ice report in lat 42.n to 41.25n Long 49w to long 50.30w saw much heavy pack ice and great number large icebergs also field ice. Weather good clear

The Titanic, traveling at 22.5 knots, was heading straight for the ice field.

In the very same way, this planet represents the great unsinkable ship that is heading for hidden disaster with a world of ship captains {shepherds} that have ignored all of God's warnings along with His instructions for all believers in the human race, therefore have never delivered any truth whatsoever to this entire worlds civilization that represents the ships passengers.

Because the god of this world is the father of lies that all believe and follow in unknown ways, the WORDS OF GOD that over three billion claim to believe in is not believed.

However, because God is love, and because the sinking of this entire human race is already history to God {Deuteronomy 28} who is everywhere always with no time or limits, He as God Almighty is going to be the supplier of what shepherds or human education has never before taught so that when this world is in panic with the ships stern way up high and people falling to their death--- God's blessing of the human spirit which allows our human minds to think, absorb and retain information that had been previously fed into our brain will bring to the surface the warning this entire human race chose to ignore, therefore many will become stronger in their punishment because what was foolish hogwash turned into God's truth.

I have posted a summary on "The Only Book With Truth This World Knows Not" only to have some websites make it mysteriously disappear along with other writings on the book. Through these past years I have also been suspended from a good number of Christian websites including the Bible in Facebook---and that is because Satan controls the religions of this world and hates truth, but believers in God would never believe what God says even though He makes the truth I just spoke clear as a bright and sunny day all through His pure words of truth believers worldwide just flat out don't believe because man teaches differently than God. So they worship all the A.W. Tozers of this world rather than God.

The book needs much work that I want only to edit, add, take away from and just make right according to God's lead. However, living a life for the past 5 years within a world of scorpion hate from false brethren,

having an ill wife with a weak heart on leave from her teaching job that was our only support of 60 per month that has gone down to zero for the past two months along with a decade old brain dead computer, no printer, no food, major dental problems and a whole slew of other difficulties with the last to care on earth being of the over three billion believers and lovers of God who are going to have to learn truth the hard way through God's punishments. Do you love God? How much? Enough to trust only Him and never man?

Just for a quick glance at my efforts for God, please view this site that is lacking very much more than what's shown. <http://timesoftroubles.webs.com/mywritingsforgod.htm>

Now let's just cut the chase and get right down to the meat of the bottom line.

There is but only one way to become very close to God; and that is through the fear of the Lord which is knowledge of Him; and the only way to gain that knowledge which is understanding of the Holy One requires diligent work so hard from years of night and day digging that they have worn down their mining shovel so thin while seeking silver and searching for hid treasures that it needs to be replaced.

So what does God teach for all believers that this world of shepherds not only don't teach, but don't even know or understand because none, no, not one even has the fear of the Lord? The meaning of these following words is the answer.

I've worked much harder, been jailed more often, beaten up more times than I can count, and at death's door time after time. I've been flogged five times with the Jews' thirty-nine lashes, beaten by Roman rods three times, pummeled with rocks once. I've been shipwrecked three times, and immersed in the open sea for a night and a day. In hard traveling year in and year out, I've had to ford rivers, fend off robbers, struggle with friends, struggle with foes. I've been at risk in the city, at risk in the country, endangered by desert sun and sea storm, and betrayed by those I thought were my brothers. I've known drudgery and hard labor, many a long and lonely night without sleep, many a missed meal, blasted by the cold, naked to the weather. {2 Corinthians 11:23-27}-{MSG}

Shadrach, Meshach, and Abednego answered King Nebuchadnezzar, "Your threat means nothing to us. If you throw us in the fire, the God we serve can rescue us from your roaring furnace and anything else you might cook up, O king. But even if he doesn't, it wouldn't make a bit of difference, O king. We still wouldn't serve your gods or worship the gold statue you set up." {Daniel 3:16-18}-{MSG}

What you just read is what we all as believers should be expecting to enter into our lives through these coming years. And without the faith of these men and all men of God, none, no, not one person will be able to stand strong when the greatest times of trouble that have ever been come crashing down on this entire human race

that has always worn side blinders so as to never see reality or anything beyond self that knows everything.

As for me, God has given me His Spirit that I have been working hard for through years of mental, spiritual and physical sufferings, therefore through His glory He has made me strong enough to face whatâs coming upon this entire worldâs civilization that has absolutely zeroed knowledge of God, therefore no preparation which leaves the many of this totally unprepared world as bait for the coming massive storms that are going to short circuit this entire human race.

The Book has been sent to many publishers with a number of replies and more to come that want to edit and publish it. However, with prices ranging from a thousand to ten thousand for a me as a man that has not even five dollars or any way to properly edit the book plus adding more chapters as God supplies my mind to work at. . .The bottom line is I need some help.

The bottom of the bottom line is that I live for God while knowing that money, gold and silver will become worthless in the years ahead of us all. So what I need to Warren Buffet or Sandra Bullock would be as nothing, or just a hundred brethren with ten dollars each to spare would be a start. If I had a better computer and a printer I could do much more. Maybe some Ensure and heart medicine for my wife, maybe something to eat and temp fillings in my few remaining hollow teeth with no enamel near the gum that only traps more problems. But like I said at the start, God has just one person that will help in a world of religious hypocrites with no root for the coming storms. Warning in these following verses that none, no, not one believe as they all murder with joy while being much more clever than THE WORD.

{1 John 4:7-8,

3:14-18, John 13:34, 1 Corinthians 13:1-13, Revelation 22:14}

I live in no dreamland because. . .

â First of all, you should know this: no prophecy of Scripture comes from one's own interpretation, because no prophecy ever came by the will of man; instead, moved by the Holy Spirit, men spoke from God. {2 Peter 1:20-21}

â The LORD looks down from heaven on the human race to see if there is one who is wise, one who seeks God. All have turned away; all alike have become corrupt. There is no one who does good, not even one. {Psalms 14:2-3}

â So the great dragon was thrown outâ the ancient serpent, who is called the Devil and Satan, the one who deceives the whole world. He was thrown to earth, and his angels with him. {Revelation 12:9}

â But He answered, "It is written: Man must not live on bread alone but on every word that comes from the mouth of God. {Matthew 4:4}

â The words of the LORD are pure words, like silver refined in an earthen furnace purified seven times. {Psalms 12:6}

About My Book for Publishing

. . . I only believe every word of God as written while depending on only my Father to give me understanding without the contaminated doctrines of man that only destroy truth.

â We lie down in our shame, and our confusion covereth us; for we have sinned against Jehovah our God, we and our fathers, from our youth even unto this day, and have not hearkened to the voice of Jehovah our God. {Jeremiah 3:25}

. . . I only believe every word of God while looking to Him as my Father because by myself I can do nothing while only wanting to please Him. {John 8:28-29}

Have not all believers been commanded to follow only their Head Jesus Christ? But God says, none, no, not one does. {Psalms 14:2-3}
