

The End of America and Destiny of all Civilization

By : Timesoftrouble

We all live within a world where actual truth cannot be found, and when its offered in sincerity because it involves every human life on this planet, most all care not to hear what is not smooth, easy, pleasant and good to the ears even though the message is directly to this entire human race.

The End of America and Destiny for all Civilization <http://theonlyworldbook.webs.com/theendofamerica.htm>

Words of God directly for the population in America and the world which they cannot hear understand or believe; and these are words for all worldwide no matter what your beliefs. First for the purpose of gaining attention regarding your own future that awaits, you need to deeply read while placing your own self within the pure and true words from Deuteronomy beginning on page 3 with no confusion because they reveal what has been happening in America along with the great beginning of chaotic increase on American soil that in many ways will only follow throughout this entire world until the human race under man's pathetic rule comes to its full end; and what's most important for you now is your mind just absorbing what you read through our creators own words whether or not you believe them with strong reason being that according to God, most will not believe His own words of nothing but truth, yet all people of civilization have a sub-conscious that will unknowingly retain most of what they heard or read while regarding it as nothing but worthless and foolish words because man or the god of this world has led or taught all individuals on this planet differently.

Say that's not true? Only when man with all that he teaches is flushed forever while slamming the lid down tightly for protection against contaminated backwash will you be able to see the difference between night and day which is the god of darkness on the throne of earth, or the only God of true light that few can find; and that is because nobody believes God through His own words with great warning of the extreme powers the father of lies holds over this entire world's civilization.

But when the time comes that all people on earth find themselves within such a great panic with no way out while slowly sinking within the quicksand's of their greatly troubled existence through a crumbling civilization everywhere on this globe, only then will they remember with detail of how they had been very accurately informed in advance of exactly where all people on this planet have found themselves with no way in turning back the hands of time. In other words, this world's civilization is now being given a chance to make their decision between only two roads in life that are going to lead whoever is on them where they end up; Want some clarity for better understanding of the differences in the two roads?

â You can go to God Most High to hide. You can go to God All-Powerful for protection. I say to the Lord, â You are my place of safety, my fortress. My God, I trust in you.â God will save you from hidden dangers and from deadly diseases. You can go to him for protection. He will cover you like a bird spreading its wings over its babies. You can trust him to surround and protect you like a shield. You will have nothing to fear at night and no need to be afraid of enemy arrows during the day. You will have no fear of diseases that come in the dark or terrible suffering that comes at noon. A thousand people may fall dead at your side or ten thousand right beside you, but nothing bad will happen to you! All you will have to do is watch, and you will see that the wicked are punished. You trust in the Lord for protection. You have made God Most High your place of safety. So nothing bad will happen to you. No diseases will come near your home. He will command his angels to protect you wherever you go. Their hands will catch you so that you will not hit your foot on a rock. You will have power to trample on lions and poisonous snakes. The Lord says, â If someone trusts me, I will save them. I will protect my followers who call to me for help. When my followers call to me, I will answer them. I will be with them when they are in trouble. I will rescue them and honor them. I will give my followers a long life and show them my power to save. {Psalms 91}-{ERV}

The End of America and Destiny of all Civilization

Listen well and very strongly with more serious thought on what you have read and are about to read with more effort than you have ever before placed on any subject in your entire life; and that is because what you are about to lightly examine from the surface will be your coming life in only pure fact with no lies or story telling; and the choice is entirely up to you with one road in your life being only the truth in the narrow way which few can find while the other and most popular road traveled by this world's civilization is in the broad way leading towards destruction that welcomes all because no effort is involved beyond the ways of life and whatever the human mind believes; therefore my position is not in any way demanding your change, but only delivering a message of truth that very few will hear according to God's own words.

All through everything that you read within these words along with my hundreds of other writings that have been written through these past four years while being on a spiritual chain through a one on one growing relationship with God as my only director in life were written for you now and today with some clear description of your woes in life through these years to come; and all through what you read will be very great emphasis on Proverbs chapter 1:5-7, 22-32, verse 33, 2:4-6, 9:10 and 6:4-6 as part of God's final warning with direction for these extremely chaotic *times of trouble* which are about to come upon this entire totally unprepared world's civilization ***that will bring the greatest shame upon the heads of this world filled with false religious individuals of every title who have wrongly led all believers through their pride which goeth before destruction***, yet sadly, billions who believe in God through no more than great words of praise with plenty of lip love greatly prefer the lies of man verses the very UN-smooth truth with extremely rough and sharp edges in the words of God they all have been commanded to live by while believers detest any person that delivers them just as **THE WORD** said this world of believers would do through these following words in Ezekiel and John.

â *It said, "Son of man, stand up. I have something to say to you." The moment I heard the voice, the Spirit entered me and put me on my feet. As he spoke to me, I listened. He said, "Son of man, I'm sending you to the family of Israel, {my book greatly discusses who, why, where regarding Israel} a rebellious nation if there ever was one. They and their ancestors have fomented rebellion right up to the present. They're a hard case, these people to whom I'm sending youâ hardened in their sin. Tell them, 'This is the Message of God, the Master.' They are a defiant bunch. Whether or not they listen, at least they'll know that a prophet's been here. But don't be afraid of them, son of man, and don't be afraid of anything they say. Don't be afraid when living among them is like stepping on thorns or finding scorpions in your bed. Don't be afraid of their mean words or their hard looks. They're a bunch of rebels. Your job is to speak to them. Whether they listen is not your concern. They're hardened rebels.*

"Only take care, son of man, that you don't rebel like these rebels. Open your mouth and eat what I give you."

When I looked he had his hand stretched out to me, and in the hand a book, a scroll. He unrolled the scroll. On both sides, front and back, were written lamentations and mourning and doom. {Ezekiel 2:1-10}

Hated by the World

"If you find the godless world is hating you, remember it got its start hating me. If you lived on the world's terms, the world would love you as one of its own. But since I picked you to live on God's terms and no longer on the world's terms, the world is going to hate you. {John 15:18-19}

Giving honor or any association to any day or holiday of the year that is not written as a commandment is a godless action with Christmas being but only one of countless examples worldwide; and in the same aspect, not living by the words of God all believers have been commanded to live by but don't in any way is also proof of a godless civilization; and all through the words of God is written in detail what you just read---but a world of believers reject all the words of who they believe in.

The End of America and Destiny of all Civilization

Through these past five years all that I have experienced from this world of religious people was just described perfectly in God's own words; and that is because people know not what they do. Therefore regardless of their words and actions I care about all people everywhere on earth regarding their own coming fate with one of my greatest concerns being for all the children of this world who have done no wrong while never being properly taught or brought up in the ways of God; therefore they shall suffer the greatest through their innocence when everything just comes crashing down upon them as a child's worst nightmare which has come to life for reasons they know nothing of because of their parents who thought they knew all things---while in truth knowing absolutely nothing---with this highly worshiped pagan day called Christmas now almost upon us being just one of the countless examples from a world with over three billion believers full of never ending different beliefs, ways, spirits and traditions that have nothing to do with who they all claim to believe in; and those are not words of judgment, just words that are very sad and true according to God who believers not only don't know in His Spirit, but don't even believe.

Always know without question as a believer that God is speaking directly to you through His words, and not to man who has always changed everything God is telling you. Therefore never forget these following words of God;

â But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. {Hebrews 11:6}-{KJV}

Do you believe in God? Enough that you want to please God through being different than this world of believers through their words rather than what's written in your heart through actions that God looks for? When we as individual believers in this world don't believe God's every word while only looking towards Him for understanding, we have zero faith; therefore have not pleased God in any way whatsoever. What that means for every believer is to be on the receiving end as an individual in a personal way because God is telling you of your own future; and if you choose whatever man feeds your mind rather than what God is about to tell you;

Deuteronomy 28:1-68 â The Message

â If you listen obediently to the Voice of God, your God, and heartily obey all his commandments that I command you today, God, your God, will place you on high, high above all the nations of the world. All these blessings will come down on you and spread out beyond you because you have responded to the Voice of God, your God:

*God's blessing inside the city,
God's blessing in the country;
God's blessing on your children,
the crops of your land,
the young of your livestock,
the calves of your herds,
the lambs of your flocks.
God's blessing on your basket and bread bowl;
God's blessing in your coming in,
God's blessing in your going out.*

God will defeat your enemies who attack you. They'll come at you on one road and run away on seven roads.

God will order a blessing on your barns and workplaces; he'll bless you in the land that God, your God, is giving you.

The End of America and Destiny of all Civilization

God will form you as a people holy to him, just as he promised you, if you keep the commandments of God, your God, and live the way he has shown you.

All the peoples on Earth will see you living under the Name of God and hold you in respectful awe.

God will lavish you with good things: children from your womb, offspring from your animals, and crops from your land, the land that God promised your ancestors that he would give you. God will throw open the doors of his sky vaults and pour rain on your land on schedule and bless the work you take in hand. You will lend to many nations but you yourself won't have to take out a loan. God will make you the head, not the tail; you'll always be the top dog, never the bottom dog, as you obediently listen to and diligently keep the commands of God, your God, that I am commanding you today. Don't swerve an inch to the right or left from the words that I command you today by going off following and worshiping other gods.

Here's what will happen if you don't obediently listen to the Voice of God, your God, and diligently keep all the commandments and guidelines that I'm commanding you today. All these curses will come down hard on you:

God's curse in the city,

God's curse in the country;

God's curse on your basket and bread bowl;

God's curse on your children,

the crops of your land,

the young of your livestock,

the calves of your herds,

the lambs of your flocks.

God's curse in your coming in,

God's curse in your going out.

God will send The Curse, The Confusion, The Contrariness down on everything you try to do until you've been destroyed and there's nothing left of youâ all because of your evil pursuits that led you to abandon me.

God will infect you with The Disease, wiping you right off the land that you're going in to possess.

God will set consumption and fever and rash and seizures and dehydration and blight and jaundice on you. They'll hunt you down until they kill you.

The sky over your head will become an iron roof, the ground under your feet, a slab of concrete. From out of the skies God will rain ash and dust down on you until you suffocate.

God will defeat you by enemy attack. You'll come at your enemies on one road and run away on seven roads. All the kingdoms of Earth will see you as a horror. Carrion birds and animals will boldly feast on your dead body with no one to chase them away.

The End of America and Destiny of all Civilization

God will hit you hard with the boils of Egypt, haemorrhoids, scabs, and an incurable itch. He'll make you go crazy and blind and senile. You'll grope around in the middle of the day like a blind person feeling his way through a lifetime of darkness; you'll never get to where you're going. Not a day will go by that you're not abused and robbed. And no one is going to help you.

You'll get engaged to a woman and another man will take her for his mistress; you'll build a house and never live in it; you'll plant a garden and never eat so much as a carrot; you'll watch your ox get butchered and not get a single steak from it; your donkey will be stolen from in front of you and you'll never see it again; your sheep will be sent off to your enemies and no one will lift a hand to help you.

Your sons and daughters will be shipped off to foreigners; you'll wear your eyes out looking vainly for them, helpless to do a thing. Your crops and everything you work for will be eaten and used by foreigners; you'll spend the rest of your lives abused and knocked around. What you see will drive you crazy.

God will hit you with painful boils on your knees and legs and no healing or relief from head to foot.

God will lead you and the king you set over you to a country neither you nor your ancestors have heard of; there you'll worship other gods, no-gods of wood and stone. Among all the peoples where God will take you, you'll be treated as a lesson or a proverbâ a horror!

You'll plant sacks and sacks of seed in the field but get almost nothingâ the grasshoppers will devour it. You'll plant and hoe and prune vineyards but won't drink or put up any wineâ the worms will devour them. You'll have groves of olive trees everywhere, but you'll have no oil to rub on your face or handsâ the olives will have fallen off. You'll have sons and daughters but they won't be yours for longâ they'll go off to captivity. Locusts will take over all your trees and crops.

The foreigner who lives among you will climb the ladder, higher and higher, while you go deeper and deeper into the hole. He'll lend to you; you won't lend to him. He'll be the head; you'll be the tail.

All these curses are going to come on you. They're going to hunt you down and get you until there's nothing left of you because you didn't obediently listen to the Voice of God, your God, and diligently keep his commandments and guidelines that I commanded you. The curses will serve as signposts, warnings to your children ever after.

Because you didn't serve God, your God, out of the joy and goodness of your heart in the great abundance, you'll have to serve your enemies whom God will send against you. Life will be famine and drought, rags and wretchedness; then he'll put an iron yoke on your neck until he's destroyed you.

Yes, God will raise up a faraway nation against you, swooping down on you like an eagle, a nation whose language you can't understand, a mean-faced people, cruel to grandmothers and babies alike. They'll ravage the young of your animals and the crops from your fields until you're destroyed. They'll leave nothing behind: no grain, no wine, no oil, no calves, no lambsâ and finally, no you. They'll lay siege to you while you're huddled behind your town gates. They'll knock those high, proud walls flat, those walls behind which you felt so safe. They'll lay siege to your fortified cities all over the country, this country that God, your God, has given you.

And you'll end up cannibalizing your own sons and daughters that God, your God, has given you. When the suffering from the siege gets extreme, you're going to eat your own babies. The most gentle and caring man among you will turn hard, his eye evil, against his own brother, his cherished wife, and even the rest of his children who are still alive, refusing to share with them a scrap of meat from the cannibal child-stew he is eating. He's lost everything, even his humanity, in the suffering of the siege that your enemy mounts against

The End of America and Destiny of all Civilization

your fortified towns.

And the most gentle and caring woman among you, a woman who wouldn't step on a wildflower, will turn hard, her eye evil, against her cherished husband, against her son, against her daughter, against even the afterbirth of her new-born infants; she plans to eat them in secretâ she does eat them!â because she has lost everything, even her humanity, in the suffering of the siege that your enemy mounts against your fortified towns.

If you don't diligently keep all the words of this Revelation written in this book, living in holy awe before This Name glorious and terrible, God, your God, then God will pound you with catastrophes, you and your children, huge interminable catastrophes, hideous interminable illnesses. He'll bring back and stick you with every old Egyptian malady that once terrorized you. And yes, every disease and catastrophe imaginableâ things not even written in the Book of this Revelationâ God will bring on you until you're destroyed.

Because you didn't listen obediently to the Voice of God, your God, you'll be left with a few pitiful stragglers in place of the dazzling stars-in-the-heavens multitude you had become.

And this is how things will end up: Just as God once enjoyed you, took pleasure in making life good for you, giving you many children, so God will enjoy getting rid of you, clearing you off the Earth. He'll weed you out of the very soil that you are entering in to possess. He'll scatter you to the four winds, from one end of the Earth to the other. You'll worship all kinds of other gods, gods neither you nor your parents ever heard of, wood and stone no-gods. But you won't find a home there, you'll not be able to settle down. God will give you a restless heart, longing eyes, a homesick soul. You will live in constant jeopardy, terrified of every shadow, never knowing what you'll meet around the next corner.

In the morning you'll say, "I wish it were evening." In the evening you'll say, "I wish it were morning." Afraid, terrorized at what's coming next, afraid of the unknown, because of the sights you've witnessed. God will ship you back to Egypt by a road I promised you'd never see again. There you'll offer yourselves for sale, both men and women, as slaves to your enemies; and not a buyer to be found.

God who this world of believers claims to love has just told them all individually of their own destiny because they refuse to believe His every word. Now go back and read Psalms 91 again while seriously deciding which road you want to be on.

My Very Limited Intelligence

So far my education through God regarding life began over twenty years ago, but Moses had eighty years of lifeâ s education prior to his 40 years of leading Israel in the wilderness, so just to reach his level of knowledge will take me another 60 years; and then I need another 40 of hands on experience with a rebellious people just as this world today. So says God, but who believes our creator for His every word? Most certainly not the religions of man that believe what man falsely teaches as the blind leading the blind with no love in their hearts for others that God looks for; and He weighs us by our actions while even telling us all that when we have not the commanded love of Christ towards others we can never even know God. {1 Samuel 2:3, 1 John 4:7-8, 3:14-18} --- And never forget regarding love that what goes around comes around. Therefore this religious world filled with cold selfish hearts towards others in need as the unemployed, hungry, sick, depressed and homeless people all around them get only a cold shoulder, God will give them all the same because whatever was given for others through their hearts God will return in the same way. Think very carefully on those words while knowing that God knows your every thought and hearts intent.

Purpose of these words;

The End of America and Destiny of all Civilization

When a person lives 24 hours of each day with a great concern for this entire human race which has come through a very slow twenty year process filled with mistakes and error along with a steady private intake of **THE WORD** while never becoming a church member or having any deep association with man, their religions or individual beliefs, there is a purpose from God. My only investigation into commentaries and various beliefs of different individuals through the years has been only what God allowed for my learning process regarding the difference in what the religions of man believe and teach verses what His Words actually speak in clear easy to understand ways through faith; and the difference is so great as in night verses day that this world of believers refuse to believe their creator when He tells all they have been misled through the powers of darkness directed by the father of lies.

If you believe in God, I want you to think very clearly because God is completely organized, knows all things and is present everywhere without time or limits, therefore when He as God Almighty becomes ones heartbeat with His words as their only blood-flow for life itself that without they would surly die, itâs nothing by accident or coincidence.

We all in this human race have reached the beginning of the end of this worldâs civilization as known to man, therefore the purpose of my calling is now being very clearly revealed to any in this world who want only truth from an individual chosen by God who looks only to Him for answers while putting absolutely no trust in man whatsoever; and if you believe that trusting in man is good proper and right to do, just look at this world today as nothing beyond historic to present atrocities through the very pathetic rule of man with the added fact of all the man-made religions and beliefs worldwide being nothing but a complete disgrace towards God when spiritually seen; and that fact can only be seen by those who have come to know God by following their Head through actions rather than never ending words of song and praise that never go any further than the tongues of believers all over this earth that only God can see.

The person who I have become through a five year period of being spiritually chained as an American in the Philippines and completely alone in Godâs realm concerning prophecy {History to God} that has taken me from this world through living absolutely no life whatsoever beyond seeing the religions of this world the way God sees them with coming realities upon humanity while only looking towards our creator for direction according to His will, and again I say it is for the reason clearly written in John 15:18-21 that a world of believers not only donât believe every word of God, but have absolutely no spiritual understanding of with the reasons why that have been clearly written all through my approximate 350 plus writings as a workman for God with strong faith being my greatest wage on earth for these perilous times that are about to strike all humanity.

Through these past years my wife and I have greatly struggled with zero genuine care from this world of religious people, yet we both knew that God has a purpose for all things, therefore would greatly bless us when the time was right; and now at this present time, God has done what we always knew He would do by greatly assisting us through our hardships of life just as we believed God would do through our years of patience accompanied our unwavering faith; and the reason why is because we look only to Him through faith while I seek only my direction in life from Him as God Almighty whom I bow before always while presenting myself as willing to do, through faith, whatever He directs.

What I am now going to share are the strongest words of truth that have never been taught to any human being on this earth; and God has personally taught them to me through placing me into the many hardships of life years ago with no help from anyone anywhere at any time no matter how bad things were other than important basic needs which came through some hearts God softened just for our survival that went no further spiritually speaking; and with all of our mental stress, spiritual fights, great health issues and much more through the years past were as being just a taste of the many great difficulties that everybody everywhere on earth also is having to live with and go through daily while suffering; and from this point in time, everything on earth for every individual no matter who they may be is only going to get worse as being

The End of America and Destiny of all Civilization

within a blacker than black darkness while being deep in a pit that only gets deeper and deeper with no escape.

Therefore all happenings have been God's way of slowly bringing me to the point where all that I asked Him for was just the spiritual strength needed for my inner peace simply to deal with and accept whatever difficulties He allowed in the life of me and my wife no matter how hard situations may be; and that is because everything that has been very hard in our life for years now was all for the purpose of making my faith so strong and true that I would gain the spiritual ability through God's lead to help as many others in this world who are going to find themselves and their children in the greatest *times of trouble* worldwide that have ever before been with no help from any other human beings; therefore the only help for any person anywhere on earth can come only from God.

These words now being written are of a great truth for all to absorb through looking deeply ahead into when billions are starving because there is no food available anywhere on earth due the prophesied great famine; and knowing through faith that only God can supply what does not exist just as He did for Elijah in 1 Kings 17 is an example and lesson in the value of true and genuine faith which means believing every word of God.

But if you wait too long before making your decision on which road of life to travel upon, God can no longer be found. You will still be saved by God's grace, just on the wrong road full with chaos towards your eternal destination; and this subject is covered well in depth within the 300 page book titled **â Message for This Human Raceâ** written by me through inspiration from God.

Lets now look at some of the most important words of God that you will ever read; and that is because they involve you and where this human race of believers now unknowingly stands. And because God is love, He warns all even though He already knows that the majority as the many in this world still will not believe that He is speaking directly to them all.

"Even the wise could become wiser by listening to these proverbs. They will gain understanding and learn to solve difficult problems. These sayings will help you understand proverbs, stories with hidden meanings, words of the wise, and other difficult sayings. Knowledge begins with fear and respect for the Lord, but stubborn fools hate wisdom and refuse to learn. {Proverbs 1:5-7}-{ERV}

"Fools, how long will you love being ignorant? How long will you make fun of wisdom? How long will you hate knowledge? I wanted to tell you everything I knew and give you all my knowledge, but you didn't listen to my advice and teaching. I tried to help, but you refused to listen. I offered my hand, but you turned away from me. You ignored my advice and refused to be corrected. So I will laugh at your troubles and make fun of you when what you fear happens. Disasters will strike you like a storm. Problems will pound you like a strong wind. Trouble and misery will weigh you down. Fools will call for me, but I will not answer. They will look for me, but they will not find me. That is because they hated knowledge. They refused to fear and respect the Lord. They ignored my advice and refused to be corrected. They filled their lives with what they wanted. They went their own way, so they will get what they deserve. Fools die because they refuse to follow wisdom. They are content to follow their foolish ways, and that will destroy them. {Proverbs 1:22-32}

"The fear of the Lord is the beginning of wisdom: and the knowledge of the holy is understanding. {Proverbs 9:10}-{KJV}

"If thou seekest her as silver, and searchest for her as for hid treasures; Then shalt thou understand the fear of the Lord, and find the knowledge of God. For the Lord giveth wisdom: out of his mouth cometh knowledge and understanding. {Proverbs 2:4-6}

The End of America and Destiny of all Civilization

God Almighty through **THE WORD** has just told a world of believers the only way that He can ever be known or understood; and now through these following words He tells what happens if His instruction is not followed.

"Give not sleep to thine eyes, nor slumber to thine eyelids. Deliver thyself as a roe from the hand of the hunter, and as a bird from the hand of the fowler. Go to the ant, thou sluggard; consider her ways, and be wise: {Proverbs 6:4-6}-{KJV}

Now re-read Deuteronomy 28 intently while seeing all of your calamities coming from the hand of the hunter because you refused this warning from God through His messenger at the beginning of these times of the end of the human race under the rule of man who has always failed miserably.

"But whoso hearkeneth unto me shall dwell safely, and shall be quiet from fear of evil. {Proverbs 1:33}-{KJV}

Now think again about which road you truly want to be on.

Home

in the rough of life we all need to see ourselves in as example of what could very well be for us all through faith. In other words, only faith can prepare us for all things no matter what they may be such as being thrown into the fiery furnace just as Shadrach, Meshach and Abed-nego.

With

fifteen million people unemployed, there are many homes in the tent cities springing up across America; and everything is only going to get much worse beyond words.

What is not taught in this world through education, governments or the religions of man everywhere on earth is how to just accept what God gives through faith while wanting no more; and when that is done through your heart, God will be the only supplier of what you need to survive through the beginning of sorrows followed by great tribulation accompanied with your needed inner peace just to accept the living disaster that has come upon this world's civilization while also giving you the needed strength to remain in faith while standing strong with *no fear* until the kingdom of God has been placed for this world of survivors to begin a new life with all of their dreams of just a normal, happy, healthy and good life coming true with no more of the mentally sick unstable and totally pathetic rule of man that has been the cause of what this world's condition and civilization has sadly become.

And if you are one of the many in this world that believe the words of man regarding a snatching away rapture or a place of safety with no efforts towards what God speaks within His Book of Instruction called the Holy Bible while feeling a security in all you have been taught with satisfaction regarding just the way you are, ask the uncountable children in this world why they have had to live their life through being raped, beaten, starved, caged, sick, hated, used, sold, abused and even tortured along with just every sad sickening and disgusting subject in every language and location of this world while explaining to all those hundreds of millions of innocent children and people of all ages that because you are a saved better than thou, you won't have to suffer even though **THE WORD** speaks another language called truth that says different.

*â Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast. **The Few***

*"For, behold, the Lord cometh out of his place to punish the inhabitants of the earth for their iniquity: the earth also shall disclose her blood, and shall no more cover her slain. {Isaiah 26:20-21} **The Many***

*â Behold, the eye of the Lord is upon them that fear him, upon them that hope in his mercy; To deliver their soul from death, and to keep them alive in famine. Our soul waiteth for the Lord: he is our help and our shield. {Psalms 33:18-20} **The Few***

The time has come for all believers to examine themselves closely with **THE WORD** as their only guide

The End of America and Destiny of all Civilization

because;

â God's words are pure words, pure silver words refined seven times in the fires of his word-kiln, Pure on earth as well as in heaven. God, keep us safe from their lies, From the wicked who stalk us with lie, From the wicked who collect honours for their wonderful lies. {Psalms 12:6-8}

Want truth from God for free from **THE WORD** or going to church to pay for lies? Not my choice, but your choice that you can choose now, or when in sorrows filled with shame and regret for shunning God's truth when He was reaching out to a world of lost sheep due a world of blinded shepherds who have never known the truth to feed the many who will have to shed their own blood due all the lies they paid to hear.

What about shepherds who have great faith and know scripture? The answer lies in thirteen verses within 1 Corinthians 13, and I have more than witnessed there is no love in any of them with a 99.9% loveless world's congregation as proof through the years of experiences where God placed me beginning in December 2006..

"So, you shepherds, listen to the word of the Lord. The Lord GOD says, â I swear that wild animals will catch my sheep, and my people will become food for all those animals because they did not have any real shepherds. My shepherds did not look out for my flock. They did not feed my flock. No, they only killed the sheep and fed themselves!â So, you shepherds, listen to the word of the Lord! The Lord GOD says, â I am against the shepherds. I will demand my sheep from them. I will fire them. They will not be my shepherds anymore. Then the shepherds will not be able to feed themselves, and I will save my flock from their mouths. Then my sheep will not be food for them.â {Ezekiel 34:7-10}-{ERV}

*"Then even nice women
cooked their own children.
The children were food for their mothers.
This happened when my people were destroyed.
The Lord used all of his anger.
He poured out all his anger.
He made a fire in Zion
that burned it down to the foundations.
The kings of the earth could not believe what had happened.
The people of the world could not believe what had happened.
They could not believe that enemies
would be able to come through the city gates of Jerusalem.
This happened because the prophets
of Jerusalem sinned.
This happened because the priests
of Jerusalem did evil things.
They were shedding the blood of good people
in the city of Jerusalem.
The prophets and priests walked around
like blind men in the streets.
They had become dirty with blood.
No one could even touch their clothes because they were dirty. {Lamentations 4:10-14}-{ERV}*

Many and Few --- Which are you?

1 Corinthians 2:14, Hebrews 5:13 and Matthew 7:13 are the many of this world on the wrong road.

The End of America and Destiny of all Civilization

1 Corinthians 2:13, Hebrews 5:14 and Matthew 7:14 are few who trust in only God and never man.

When God is ready, the book **Message for this Entire Human Race** will become available for all to read as this world's ship begins sinking with the passengers on the Titanic that had no way of escape along with many words through the approximate three hundred and fifty plus writings that I have written regarding truth while having not even one active genuine brother in Christ on this planet through five years of being in need---and that is exactly what God sees in all the religious people of this world because out of hundreds of thousands of views none, no, not one person cared other than whom God touched when our times had to do with my wife being in the hospital more than once, near homeless, no power or water, needs of medication and other situations which are no different than others worldwide with billions who have always had a much worse life. I speak with no complaint, but only as God directs in showing a world of believers exactly what He sees.

1 John 4:7-8, 3:14-18 and Proverbs 21:13 say much to a world who has chosen not to hear what God speaks directly to them all.

This world of believers will not only ignore my works for God listed below, but say I boast because they have been saved by grace without works while just completely rejecting the instruction from God with Hebrews 5:9 as a perfect example just as Saul rejected God's command in 1 Samuel Chapter 15 which is another untaught lesson to a world of saved individuals because in the exact same way that God rejected Saul for his disobedience, God is going to reject all disobedient believers worldwide from His mercy through these coming years when life becomes as a living nightmare with no escape.

Below are just some of my works from chapter 4 in my written book with hundreds more never posted while always writing more for my own spiritual education and being in wait always for wherever God leads me for His use with purpose being for your benefit.

In just one site of many where I post **120996 people** have read my writings.
