He Abandoned Me

That night,

A dark night,

I needed you here,

I needed you to banish my tears.

I needed your comforting voice in my ear,

But you didnât come

You didnât appear.

You walked away

Without even a say.

My tears trailed down my cheeks

Leaving shallow puddles like a leak.

I ask myself why you would not help me,

You told me you loved me dearly,

Yet you wonât release my pain,

You, my friend, have left a stain.

And this stain, Iâm afraid, might never wash away.
