

# Sympathy---@

By : **AemmaBella**

This is my first published work, I would like feedback and advice would be nice :) I hope you like it. (scroll down for summary) He's not in love anymore and instead of talking about it with her he drifts away and develops a hostile attitude towards her advances. She then leaves him wanting nothing more to do with his callow behavior.

## Sympathy---@

I am the only one here  
Yet you never come near  
Me, why do you turn away  
And run the other way.  
What did I do?  
Did I offend you?

You ignore my calls,  
Youâ€™ve been putting up walls  
Around yourself pushing me away.  
I never hurt you (at least not intentionally)  
But you never come my way.  
What did I do?

Must I get down on my knees  
And beg you to speak to me?  
You run away like Iâ€™ve done the most heinous of deeds.  
Iâ€™ve done so much for you and satisfied your needs,  
It is as if I am a plague in your eye,  
You fight me as if you might die.  
Must I look at you and say this end is true?

Bidding farewell is not what I do but I cannot stand this silence,  
I will tell you this and I will tell you this once,  
I am no plague nor annoyance,  
I am a woman with ears and a voice,  
I will speak to you, you will listen, and you will speak  
To me, I will listen; I cannot let this be the peak  
of our liaison, and your cruel animosity will not scare  
Me away. Speak to me once more, bare  
This with me.  
No.  
You wonâ€™tâ€™tâ€™t  
Then I shall bid you a fair adieu.
