i am a faithful servant

You are my sire, my master,
My lord, my commander,
And Iâll do as you say
For itâs only like that,
I donât feel so much as a stray.

Command me at will,
Rob me if you must,
Betray me, stab me,
Do whatever you please
For it is you who I am geed by .

Make me your lover,
Or even rape me if thatâs what thrills you.
Do what ever you want with me
For Iâll never willingly leave,
I am your minion, your captive seed.

You can beat my soft body,
Glaze at my guts all swirled out,
And my blood form a mound
For I will not protest,
Iâm all yours to be maimed.

You can be my stairs and my bars,
Make me a prisoner or be my savior,
You can even do both if thatâs
What you momentarily crave,
For I myself would imprison me,
If thatâs what you'd desire.

Leave me outside in the rain,
In the down-pour, the shower,
And mock when Iâm ill
For it is another hour to worship,
And Iâll let nothing make it sour.

Exhaust me until Iâm faint.
Donât stop, even if I strain,
Keep me out doing your biding,
Even if all you want to do,
Is be lazy on the couch,
And watch me get screwed.

You are my head, my superior,
Lead me anywhere you please,
You can escort me to hell or even heaven

i am a faithful servant

For I will never dwell.
I will endure anything and everything you gift
Without a second thought, without a doubt
...my love.

Whether you make me into stew,
Or simply craft me into a maid,
Do what ever you want with me
For I will always come to your aid

Iâm your loyal and faithful servant,
Until the end of my days
Until I reach my grave,
Iâm internally yours to be claimed.
... Your Faithfull Servent
