Singapore

Something terrible happened to me when I vandalised a couple of cars.

I deserved to be punished for what I did but the authorities went too far.

They caned me because of what I did.

I tried but I couldn't keep my fear hid.

When they caned me, it hurt a whole lot.

I didn't deserve the punishment that I got.

I learned something that I didn't know before.

People should never break the law in Singapore.
