## There's a Crick in My Neck!

I woke up this morning  
And everything seemed alright  
Well, as right as it can be  
Waking up after night

But I left the house,  
And arrived where I'd headed  
And my head found it couldn't  
Go where I led it!

There's a crick in my neck,  
And I'm sure you'd agree  
There's not many things worse  
Than what's happened to me

I can't see left of me  
Without turning my whole self  
With my head slightly cocked  
And my pride on the shelf

So, you wont see me today  
And Iwont see you  
Unless you're to my right  
And I don't sleep all day through!

There's a Crick in My Neck!
