They are one of our lucrative companies we deal with; they would like to do some investments with us as well. And I know that you are the right person for this project that is why I placed several files on your desk. They are the different companies that Superior owns. Iâ€™m sorry my name is Justice. Well Justice to answer your question, no I donâ€™t have a boyfriend in my life right now, Iâ€™m mainly concentrating on my endeavors, â€ˆ said Honor.â€ˆ Well is it possible that you can take down my phone number maybe you and I can talk about are endeavors together. Well I donâ€™t give everyone my phone number; however you seem like your okay. Honor gave Justice her number and they proceeded to go their own way. When there were parting their own ways, they both started to turn around and looked at each other.

When Justice arrived at his apartment, which was right around the corner from the store where he saw Honor. He just was memorized with Honor beauty and poised; he has never seen a woman so beautiful. He didnâ€™t understand how she doesnâ€™t have a significant other by her side. Justice knew that it was something going on with Honor, but he didnâ€™t know what it was. He came to terms with himself that he will give this a try, because he felt something different about this woman.

The next day has arisen and Honor was on way to work. During her transport to work she was just thinking about how fine Justice looked. She was thinking so hard; it felt like she was on cloud nine flowing in air without any cares. When Honor had gotten to the office, she saw her Manager Mr. Fargo and he was by her desk, it seems as though he was looking for something. So Honor had said, â€ˆ Mr. Fargo youâ€™re looking for something?â€ˆ Yes Iâ€™m looking for you completed file for the Superior Company, remember yesterday we discuss that they would be on my desk today, â€ˆ said Mr. Fargo.â€ˆ Sir the files are on your desk I put them there last night before I left. So Honor walk in Mr. Fargo office and looked on his desk and she spotted the files. Here are the files Mr. Fargo. Oh, Iâ€™m sorry Honor I did not see those file when I arrived in my office. Mr. Fargo was getting very old so his eyes werenâ€™t as strong as they where during his hay days.

Well I will look over the files and get back to you in about an hour or two. Mr. Fargo looked over all of the files. He noticed that Honor had put together the investments for the Superior Companies quite well; he was very pleased with her work. Mr. Fargo called Honor back in his office and congratulates her on the project. Honor, I loved how you put everything together this is a good investment for Superior, job well done. Now you need to take some time off, about a couple of days and do something nice for yourself, â€ˆ said Mr. Fargo.â€ˆ No Sir, I donâ€™t need to take any time off. Honor, you are a beautiful young woman; you come to work every day you donâ€™t even use any of your vacation time. Do you have a life, â€ˆ said Mr. Fargo?â€ˆ Mr. Fargo I do have a life I just like to work and be honorable to the company Iâ€™m working for, â€ˆ said Honor.â€ˆ But the question is, are you honorable to self? Iâ€™m demanding you to take time off right now, so I will see you in a couple of days, enjoy, â€ˆ said Mr. Fargo.â€ˆ

Honor had left the job and started to think about what Mr. Fargo had said, so she pulled out her cell phone and call Justice. The phone rang and Justice answered and said, â€ˆ Who is calling?â€ˆ This is Honor the young lady you meant in the store last night. Oh yeah, I was waiting for you to call. Really, I thought that you forgot about me, thatâ€™s why I call, â€ˆ said Honor.â€ˆ Yeah right, girl you know you look good! To be honest with you I donâ€™t even feel like that for real, â€ˆ said Honor.â€ˆ You got to be kidding, my mother always said that God gave us all individual beauty and we should endure every bit he has given to us. Honor had listen to every word that Justice was saying and he was right, she also thought about what her manager also was saying. She put two and two together and came to the realization that she shouldnâ€™t just honor and respect the things that she work hard to accomplished, but also to honor self. If I canâ€™t honor self how can I accept from another?

As Justice was still on the phone talking he said, â€ˆ Honor is you listening.â€ˆ Yes Iâ€™am, thank you for giving me advice on want you said about God, I appreciate it. Now Iâ€™m asking you would you like to go out to dinner, â€ˆ said Honor.â€ˆ Yes I would like that very much. So they both went out and had a good time, they talk for hours and hours on end. They realize that their father has sought them out, and brought them together as one. Honor and Justiceâ€ˆ !â€ˆ !
