## **A Star on Your Arm**

An emblem of truth is around you a confidential beam comes from within you a place of peace I give you and a land of grace I give to you. For all will see pain among you and some will change because of Me in you. Yet the pain of today will not mislead you as you focus on those that bless you in truth. A calm I give so others may see and a place to live is with Me I send all troops to back you for if I do not use you others will stray if you do listen you will not stray. To stray is to lead others as your influence is in the wrong way. I claim this peace over you and send the truth to those who believe not. I claim only those that forget the pain and see clearly the emblem on their name. The soldiers of love march to and fro representing wisdom and truth for all others understand what is before their eyes and some will help you with no demise. A calm comes again as trumpets play catching all others by surprise to say today what needs to be said. Jesus is Lord as you have heard for the truth is proclaimed in the land and gestures of hate are cast aside. So where ever you go let your light shine beaming for Christ as He is at your side.

Amen.
