DEFINITIONS

THE THUNDERBIRD

PREFACE

It is being suggested that any phenomenon, including a thought or feeling passing through your head, involves a distinct constellation of dynamic influences. Hope and certainty are two completely different items. In a hazardous universe, failure to tell the difference can cost you absolutely everything. It is being noted that boredom is a form of pain, and thus, a possible down side to be knowing everything. The incomprehensible unlimited by definition has no parts, be it in time or space. Assigning gender connotation to parts is a necessary contradiction for any serious thinking. Whether you believe it or not, whether you like it or not, there is meaning to life. Planets are reaped, and the analogy of consumption is as brutal as it sounds. If you are going to evolve into extended experience, perceive or participate in anything at all, you are going to have to deal with a technical equivalent of the present moment of someone else. The assertion that to evolve into a part of

Trashing Utopia 2013

Thee Broader Present Moment requires ceasing the externalization of the enemy,
is the mirror reversal of promoting hatred. Such is Intent.

Omniscient Wisdom is being spoken of in the feminine.

Omnipotent Will is being spoken of in the masculine.

The reconciliatory embodiment of Conscious perception in The Unlimited
is Thee Light. It's your funeral.
