It was exactly 6:25 a.m. and I was laying in bed. Itâ s my 1st day to ever go to this school and Iâ n getting butterflies in my stomach because I started thinking about the school and if the students and my teachers if they are nice orâ |..not. I screamed, â NO!!â my mom came running in and asked, â Is everything okay!?â

- â Yes mom. Iâ m just nervous about school and the people there by the way what time is it?â
- â Itâ s 6:30. Why?â

My eyes grew big as I screamed, â WHAT ITâ S 6:30! I have 10 minutes till the bus gets here! Oh mom leave so I can get ready.â My mom left and I got ready. 5 minutes later I came down in an Aeropostale shirt, a leather jacket, and some skinny jeans. I ate a Poptart for breakfast, said bye to my mom, and went to the bus stop to find my best friend in the whole world Madisyn Jefferson as soon as I noticed her I screamed and Madi jumped as soon as she heard me scream. They then started screaming.

- â OMG!! I canâ t believe we are going to the same school. EEPP!!â . The bus soon arrived then Madi and I got on then a couple minutes later they arrived at school. The school was so big that I almost fainted because of itâ s size. Madi caught me in the knick of time. 2 kids noticed what just happened and walked over with worried looks on their faces. â Are you okay?â One of them asked.
 - â Yeahâ ¦ by the way Iâ m Drew.â
 - "Nice to meet you Drew. I'm Denise and this is Madeliene."
 - "We're Seniors, you must be a freshman."
