Broadband 😊

The Super highway.

Info at the speed of light.

Optic fibre, that the way to go!

Download Lord of the Rings in an hour

The whole darned trilogy, hobbits, goblins n all

Upload to â The Cloudâ your albums and music in a blink

All I want to do is download my Booksie page

And read my friends poems & stories

And publish some of my own

Network throttling

Super dieway

Tethered 😞
