Have you ever read about those history great men and
Women? The Romans Emperors, Alexander the Great,
The Crusaders, the Persians, the Spartans, Napoleon,
Kings and Queens. They told us at school these were
Great men and women. I know nothing. My question is,
If there any difference between these mass murderers
And Hitler? I know nothing.

When a man said enough, means enough, but when
Another man come and said
Enough is enough, means that is enough.
