Have you ever read about those history great men and  
Women? The Romans Emperors, Alexander the Great,  
The Crusaders, the Persians, the Spartans, Napoleon,  
Kings and Queens. They told us at school these were  
Great men and women. I know nothing. My question is,  
If there any difference between these mass murderers  
And Hitler? I know nothing.

Another man come and said  
Enough is enough, means that is enough.
