

RECIPE.'S/HOUSE TIPS TO SHARE.

By : **Poetlife**

I noticed there in no recipe section in Genre area????????? So I thought, those who want recipes, like to cook, should share some if they want to? Only your generation ones handed down from mothers etc or your own which have not been printed-but tried.I will start with one of mine one day.What about also house tips to share?

Why not share some of your recipes here, which were handed down/house tips -as I notice there is no gene for either.

Till later, let me know what you think?

Till later?

Read Summary first.
