What Kind of Music and artists do the Booksie writers like

i love music. i listen to music when i study, when i clean, when i write, when eat, when i go sleep i go sleep with music, in fact i breathe and live for music

,well i absoltuly adore madonna, pink, shakira, beyonce, michael jackson, evancesance, cold play, mary j blidge, shaina twain, faith hill, elton john, macy gray, alicia keys

those are a few of my favourites

my favourite albums are alicia keys fallin, madonna's ray of life, confessions of a dance floor, micheal jackson's thriller and dangerous and elton johns duets

what are yours ? and why?
