# Descriptive contest!!!

Hello! It's Serenity, calling out for the amazing writers here on Booksie!

Alright, contest description:

Iâ€™ve been thinking about you all, yes, truly I have. You guys are really good writers, most of your grammar and spelling is immaculate (Except for those few writers who write like I text at three a.m.) and youâ€™ve got really interesting themes. What Iâ€™m looking for this contest, though, is entirely different.

You ready for this?

Okay, well, Iâ€™m looking for you to paint a picture with your words. Please, donâ€™t be afraid to wow me with details upon details. See, Iâ€™m a writer who canâ€™t keep a storyline for shit but can write a picture, an instance in time, something very vivid but something short, as Iâ€™ve been told. (An example of this is Shadow Killers.) So Iâ€™m calling out for fellow Booksie writers like me to amaze me with detail.

The Rules:

- No novels!
- If youâ€™re describing something youâ€™ve been staring at for hours, can you include a picture for me?
- Again, no NOVELS! I will, however, accept a specific novel CHAPTER. Short stories and poems are also accepted.
- Let me know when your contest entry is up! I will include the link on another page.
- Correct grammar and spelling, please.
- If you write on my favorite topic, you will not get Kudos points toward winning, although I will appreciate it if you did write on my favorite topic.
- If you interest me, I will come and read your work anyway. So donâ€™t shoot for the prizes, shoot for interesting me!

And following that, Prizes:

If you win 4th and 5th place, it is the same: a couple of reads and comments from me. Your choice, of course! If I end up liking your writing style I will read more.

If you win 3rd place, you can pick ONE of first placeâ€™s prizes.

If you win 2nd place, you can pick TWO of first placeâ€™s prizes.

And finally, the one youâ€™ve all been waiting for: First place! If you win, you will get a fan request from me, mentioned on my page and I will read and comment on all or most of your work. I say â€œor mostâ€ because I am busy. I do have a life!

Okay kiddies, ready, set, GO!
